Delinquent Mortgage/Foreclosure Assistance

There are several programs which have been developed by the State of Maryland to assist homeowners who are having trouble with their mortgage and who are worried about losing their homes. A synopsis of the programs is listed below with contact information.

The most important foreclosure prevention tips are:

1. Contact your lender immediately if you are facing difficulties making mortgage payments.
2. Meet with a Nonprofit Housing Counselor.
3. Try to refinance to a more affordable mortgage.
4. Avoid foreclosure "rescue scams"
5. Prioritize your spending and SAVE money
